## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Montgomery County Committee on Aging, Inc.  
dba Meals on Wheels Montgomery County

### Report on the Financial Statements

We have audited the accompanying financial statements of Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County (a nonprofit organization), which comprise the statements of financial position as of September 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County as of September 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 26, 2018, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

**NOTE 1 – Nature of Activities and Summary of Significant Accounting Policies**

Montgomery County Committee on Aging, Inc. (MCCA) dba Meals on Wheels Montgomery County was incorporated in Texas as a non-profit organization on March 1, 1973. Its purpose is to enhance the lives of senior adults and disabled citizens by enabling individuals to continue being an integral part of their community while keeping their independence, dignity and sense of well-being. MCCA maintains offices at two locations: Conroe and The Woodlands. Services provided include, but are not limited to, home delivered meals to homebound seniors, transportation services for elderly or disabled residents, and congregate meals at senior centers located in The Woodlands, Magnolia, and New Caney.

***Basis of Accounting***

MCCA uses the accrual basis of accounting. Revenues are recognized when they are earned. Expenses are recognized when they are incurred.

***Basis of Presentation***

MCCA reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Accordingly, the net assets of MCCA and changes therein are classified and reported as follows:

- *Unrestricted net assets:* Net assets that are not subject to donor-imposed stipulations.
- *Temporarily restricted net assets:* Net assets subject to donor-imposed stipulations that can be fulfilled by actions of MCCA pursuant to those stipulations or that expire by the passage of time.
- *Permanently restricted net assets:* Net assets subject to donor-imposed stipulations that they be maintained permanently by MCCA. Generally, the donors of such assets permit MCCA to use all or part of the income earned on the assets. MCCA has no permanently restricted net assets.

In addition, MCCA is required to present a statement of cash flow.

***Contributions***

Contributions received are recorded as unrestricted or temporarily restricted support, depending on the existence and/or nature of any donor restrictions. Donor restricted contributions whose restrictions are primarily met in the same reporting period are reported as unrestricted support.

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

**Notes to Financial Statements**

---

Donations of fixed assets are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has temporarily restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire fixed assets are reported as temporarily restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, MCCA reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. MCCA reclassifies temporarily restricted net assets to unrestricted net assets at that time.

MCCA receives various non-cash donations throughout the year including supplies, facilities, and volunteer hours. Non-cash donations are recorded as contributions at their estimated fair values at the date of donation. During the years ended September 30, 2017 and 2016, the value of the non-cash donations was \$252,301 and \$329,668, respectively.

***Contributed Services***

During the years ended September 30, 2017 and 2016, the value of contributed services meeting the requirements for recognition in the financial statements was \$175,254 and \$198,644, respectively. In addition, many other individuals volunteer their time and perform a variety of tasks that assist MCCA, but these services do not meet the criteria for recognition as contributed services under FASB ASC 958-605.

***Fair Value of Financial Instruments***

The carrying amounts reported in the statements of financial position for cash and cash equivalents approximate their fair value.

***Use of Estimates***

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

***Cash and Cash Equivalents***

For the purposes of the statement of cash flows, MCCA considers highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

**Montgomery County Committee On Aging, Inc.**  
**dba Meals on Wheels Montgomery County**  
**Notes to Financial Statements**  
**September 30, 2017 and 2016**

---

***Accounts Receivable***

Accounts receivable is comprised of grants and other receivables. Grants receivable are stated as reimbursable expenditures due from the grantor. No allowance for bad debts is recorded as revenue received is from third party reimbursements with state and local government agencies.

***Concentration of Credit Risk***

MCCA maintains cash in deposit accounts with several federally insured banks. The cash balances at the financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 of the balance. At September 30, 2017 and 2016, MCCA had no amounts in excess of federally insured limits.

***Fixed Assets***

MCCA defines fixed assets as assets with an original cost of \$1,500 or more with the estimated useful life of more than one year. They are recognized at fair market value at the date of donation, or if purchased, at their cost. Maintenance and repairs are charged to expense and major improvements are capitalized. Depreciation is determined using the straight-line method at rates expected to amortize the cost or value of the depreciable assets over their estimated useful lives of three to ten years.

***Deferred Revenue***

Revenue from certain financial assistance is deferred and recognized over the periods to which the support relates. Deferred revenue has been recorded for unearned receipts in the amounts of \$97,333 and \$38,713 as of September 30, 2017 and 2016, respectively.

***Income Taxes***

MCCA is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Service Code and therefore has made no provision for federal income taxes in the accompanying financial statements.

***Functional Allocation of Expenses***

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Costs are allocated between supporting services or program services based on evaluations of the related benefits. Supporting services include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of MCCA.

***Management's Review***

MCCA has evaluated subsequent events through February 26, 2018, the date which the financial statements were available to be issued.

2018. Payments are for interest only beginning October 20, 2016 through September 20, 2018. The loan matures on September 20, 2018 with a final payment due of all outstanding principal and accrued unpaid interest. The balances at September 30, 2017 and 2016 were \$-0- and \$80,000, respectively.

**NOTE 6 – Restricted Net Assets**

At September 30, 2017 and 2016, MCCA had temporarily restricted net assets of \$926 and \$6,443, respectively, which were restricted by the donors for various purposes.

**NOTE 7 – Operating Leases**

MCCA occupies two different locations, one in Conroe and one in The Woodlands. The office building in Conroe houses administrative staff and Senior Rides operations. In July 2002, MCCA entered into a thirty-year (30) lease agreement with the City of Conroe (the City) for the Conroe building, located at 1202 Callahan, Conroe, Texas. The City has authorized a credit against the rent of this building in return for services that MCCA provides to City residents in the form of meals and rides provided to the elderly and disabled. The office in The Woodlands is located at the South County Community Center and is occupied free of charge. MCCA provides meals to both the New Caney and Magnolia senior centers, but no office space is kept at those locations.

Lease expenses and related donated rent totaled \$13,913 and \$13,913 for the years ended September 30, 2017 and 2016, respectively.

Additionally, MCCA has numerous cancelable operating leases for equipment with various expiration dates. In the normal course of business, the operating leases are generally renewed or replaced with other leases.

**NOTE 8 – Concentration of Support**

For the years ended September 30, 2017 and 2016, MCCA received forty-seven percent (48%) and fifty-five percent (55%) of its support from Houston-Galveston Area Council, Montgomery County, Texas Department of Transportation, and United Way of Greater Houston.

**NOTE 9 – Reclassification**

Certain amounts for the year ending September 30, 2016 have been reclassified in the comparative financial statements to conform to their 2017 classification. These reclassifications had no effect on the change of net assets.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of  
Montgomery County Committee on Aging, Inc.  
dba Meals on Wheels Montgomery County

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County (a nonprofit organization), which comprise the statement of financial position as of September 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 26, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM  
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of  
Montgomery County Committee on Aging, Inc.  
dba Meals on Wheels Montgomery County

Report on Compliance for Each Major Federal Program

We have audited Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County's major federal programs for the year ended September 30, 2017. Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County's compliance.

Opinion on Each Major Federal Program

In our opinion, Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2017.

## Report on Internal Control Over Compliance

Management of Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**Montgomery County Committee On Aging, Inc.  
dba Meals on Wheels Montgomery County  
Notes to Schedule of Expenditures of Federal Awards  
For the Year Ended September 30, 2017**

---

**NOTE 1 – The Organization**

Montgomery County Committee On Aging, Inc., dba Meals on Wheels Montgomery County, receives federal grants to carry out its programs and services for low-income senior adults and individuals with disabilities living in Montgomery County, Texas.

**NOTE 2 – Basis of Accounting**

The accompanying schedule of expenditures of federal awards (Schedule) includes the activity of Montgomery County Committee on Aging, Inc. dba Meals on Wheels Montgomery County and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of the OMB Compliance Supplement. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

**NOTE 3 – Non-Cash and Loans**

There were no federal awards expended in the form of non-cash assistance or insurance and there were no federal program loans or loan guarantees outstanding at year end.

**NOTE 4 – Indirect Cost**

Expenditures included in the Schedule represent both direct and indirect costs. Instead of using the 10% de minimus indirect cost rate allowed under the Uniform guidance, MCCA's indirect costs are based on an indirect cost allocation plan that has been agreed upon and approved by the applicable grantor.

**NOTE 5 – Relationship of the Schedule to Financial Reports Submitted to Grant Awarding Agencies**

Expenditures included in the Schedule may differ from amounts reflected in the financial reports submitted to grant awarding agencies for the following reasons:

- Expenses accrued at the end of MCCA's fiscal year may not be included in the financial reports submitted to grant awarding agencies until after year end;
- Program matching costs that are reported in the financial reports submitted to awarding agencies are not include in the amounts reported in the Schedule; and
- Differences may exist between grant periods and MCCA's accounting period.

**NOTE 4 – Contingencies**

Grants require the fulfillment of certain conditions set forth in grant agreements and are regularly monitored and reviewed by the grantors. Failure to satisfy the requirement of contract agreements could result in disallowed costs and return of funds to grantors. Management believes that MCCA is in substantial compliance with grant provisions and requirements and that disallowed costs, if any, will not be significant to affect the amounts and disclosures in the financial statements.
